

4TH DANISH SINGLE-CELL SYMPOSIUM: TECHNOLOGY TOWARDS CELL BIOLOGY AND MEDICINE

Date

May 2-3, 2024

08:30 – 17:00

Venue

Auditorium O100

University of Southern Denmark (SDU)

Campusvej 55

5230 Odense M

International invited speakers

- **Smita Krishnaswamy**
Yale University, US
- **Sean Bendall**
Stanford University, US
- **Simone Picelli**
IOB, Switzerland
- **Ralf Jungmann**
Ludwig-Maximilians University, Germany
- **Kiavash Movahedi**
Vrije Universiteit Brussels, Belgium
- **Maria Colome**
Helmholtz Munich, Germany
- **Ton Rabelink**
Leiden University, Netherlands
- **Carolina Wählby**
Uppsala University, Sweden

About the event

Stay UpToDate with the latest single-cell omics technologies and discover how they can be applied to solve biological and medical questions.

- Invited talks
- Selected short talks
- Dinner poster session
- Company stands
- Networking opportunities

Scientific organizers

University of Southern Denmark

- Susanne Mandrup
- Jonathan Brewer

University of Copenhagen

- Konstantin Khodosevich
- Tune H Pers

Aarhus University

- Søren Riis Paludan
- Jørgen Kjems

- The Danish Single-Cell Network

Cell

ATLAS
CENTER FOR FUNCTIONAL GENOMICS
AND TISSUE PLASTICITY

Registration and
abstract submission
deadline:
April 15, 2024
