

Invitation to Christmas get-together

With “æbleskiver”, glögg, and decoration fabrication

Similar to last year, DANDRITE invites you all for “æbleskiver and glögg” (Danish dounuts and glögg, a Scandinavian Christmas punch) and Christmas decoration fabrication on

**Thursday 10th December 2015 from 15:00
In the Biomedicine lunch room (building 1170)**

**Everyone affiliated DANDRITE, and our colleges at
Dept. Biomedicine and Dept. Molecular Biology & Genetics,
are most welcome!**

Please also feel free to bring your kids!

DANDRITE will bring supplies of papers, glitter, scissors, glue and templates. If you have some ideas for decorations yourself, of course feel free to bring them, as well as your own supplies for fabrication!

Make your own Christmas decorations to bring home,
- or donate your decorations to decorate the building with.

You are of course welcome to just come by for “æbleskiver and glögg”, and skip the Christmas decoration fabrication.
