## Group Leader with Cryo-EM expertise at The Laboratory for Molecular Infection Medicine Sweden (MIMS), Umeå University

**MIMS ([www.mims.umu.se](http://www.mims.umu.se))** seeks excellent young researchers who are interested in becoming new Group Leaders for innovative research in Molecular Infection Medicine. We intend to recruit a new Group Leader with Cryo-EM expertise in the coming year.

Applicants should have documented successful research in areas relevant to molecular infection medicine and research background and competence in Cryo-Electron Microscopy, as the new MIMS Group Leader also will be affiliated with **The Cryo-EM Swedish National Facility** as SciLifeLab Fellow ([www.scilifelab.se/facilities/cryo-em/](http://www.scilifelab.se/facilities/cryo-em/)).

The recruited researcher will receive extensive support in order to establish their own research group with participants at postdoctoral and doctoral level. Applicants are expected to conduct a successful research program in synergy with the multidisciplinary MIMS research environment and participate in collaborations and joint activities promoting research and exchanges within **The Nordic EMBL Partnership for Molecular Medicine** ([www.embl.de/research/partnerships/remote/nordic/index.html](http://www.embl.de/research/partnerships/remote/nordic/index.html), [www.nordicemblpartnership.org](http://www.nordicemblpartnership.org)).

To qualify for employment you should have obtained a doctorate or have obtained corresponding scientific competence. You will also have undergone postdoctoral training and education in a relevant research area. Particular importance will be given to scientific skill. We are preferably looking for talented early-career scientist who has already produced excellent supervised work, is ready to work independently and shows potential to be a research leader. Therefore, those primarily considered should have obtained a doctoral degree, or corresponding qualifications, no later than two and no more than nine years before the application.

***Welcome with your application!***

**Applications should be received latest March 26, 2018**
