Grants are made available through the NMMN NordForsk Research Infrastructure hub funding for the years 2021-2023. With the funding, we expect to gradually stimulate the increase of

interdisciplinary approaches and ambitions in molecular medicine and to stimulate further the mobility and exchange of core expertise and human resources among the Nordic countries.

Research Mobility grant amount

You can apply for a maximum of **10.000 DKK**.

The funds must be used for travel expenses, such as flight and train tickets, bridge or ferry, overnight expenses for hotel/accommodation, attendance fee and/or direct infrastructure costs.

N.B.: Expenses usually covered by yourself cannot be reimbursed e.g., insurance and daily transport cannot be covered.
