

DANDRITE ENCOUNTERS 2023

Tuesday 28 February 2023

In Tvillinge Auditorium, building 1324 room 011

Bartholins Allé 10, 8000 Aarhus C

At DANDRITE ENCOUNTERS 2023 the research groups at DANDRITE offer lab introductions to interested students looking for neuroscience bachelor, master or PhD projects. This is an unique opportunity to hear about astonishing research within the neurobiological field and to get insights on project opportunities.
