

# DANDRITE ENCOUNTERS 2022

**Tuesday 1 March 2022**

In Store Anatomisk Auditorium, building 1232 room 115

Wilhelm Meyers Allé 3, 8000 Aarhus C

At DANDRITE ENCOUNTERS 2022 the research groups at DANDRITE offer lab introductions to interested students looking for neuroscience bachelor, master or PhD projects. This is an unique opportunity to hear about astonishing research within the neurobiological field and to get insights on project opportunities.
