Area and social activities

The town of Ebeltoft is within short walking distance of the venue. With its idyllic timber-framed buildings, cobblestone streets, small shops and restaurants, Ebeltoft has small-town charm and is well-visited during the summer. The sea side and "Fregatten Jylland" – the world's longest wooden ship – are just a stone's throw from the hotel. Also close to the venue are:

- Mols Bjerge National Park
- Ree Park – Ebeltoft Safari
- Ebeltoft Glass Museum

The summer school offers a social and cultural program during the course.
